Call and ask our service departments for full details!

REBATE USAGE: Customer must spend a minimum of \$1,000 before taxes to qualify for \$250 rebate. Inspection must be completed by October 31, 2025. All work must be performed by a VPE technician. Rebate will be applied to work-order once completed and can be used for service call, parts, and labor for inspection repairs only. Valid on planter inspection only. Some restrictions apply. See dealer for details.
