# REPAIR OR REPLACE

## FRONT-END EQUIPMENT PROGRAM

**FREE TRUCKING**  
within a 50 mile radius  
from a VPE location

**BOGO**

Inspect one head, get  
another one inspected  
for FREE!

Each harvest season, you have a choice. You can choose to repair or replace your machine. To help you make the most of your ROI on your equipment, we have carefully curated options that fit your goals and needs.

### REPAIR

*If it's broken, fix it.*

Wear parts left on a season too long or parts that failed due to stress or improper use.

**Products include:**

Frame components for cracks or alignment issues, wear components, leaks and fluid levels, proper adjustments on adjustable components

**0% UNTIL NOV 2025**

### REPLACE

*If it's worn, replace it.*

With low financing options, now might be the time to upgrade your front-end equipment!

**2.9% FOR 36 MONTHS**  
**USED HEADS ONLY**

**JDF FINANCING**

Offer valid July 1, 2025 until October 31, 2025. Inspections must be completed by October 31, 2025. BOGO offer on is valid on corn head and flex head only. Inspection must be completed by October 31, 2025. All work must be performed by a VPE technician. Some restrictions apply. See VPE for full details.
