

10% OFF

Oil, Filters, & Grease

when you schedule a
pre-harvest inspection for
your X9 Combine at
Valley Plains Equipment
before Sept. 15, 2025.

*Prep for harvest now.
Thank yourself later.*

LOOK AHEAD

Harvest doesn't wait — and neither should you!

Make sure your X9 Combine is ready to run at peak performance when you need it most. A VPE inspection helps catch small issues before they turn into costly breakdowns, saving you time, money, and frustration in the field.

- ✓ Maximize uptime
- ✓ Protect your yield
- ✓ Keep repairs affordable
- ✓ Run at peak performance

Our certified John Deere technicians know exactly what to look for — so you can harvest with confidence! Book your X9 inspection today and enjoy peace of mind all season long!
